Ohio Medicaid School Program Bulletin

HBS 2025-2

Topic: MSP Final Settlements and Cost Reports

The Medicaid School Program (MSP) Final Settlements for the 2022/23 school year (SFY 2023) are now being processed by the Ohio Department of Medicaid (ODM).

The process will be the same as in prior years. Districts will receive via Certified Mail, a "PROPOSED ADJUDICATION ORDER OF THE OHIO DEPARTMENT OF MEDICAID TO IMPLEMENT FINAL SETTLEMENT". This is usually addressed to "c/o Medicaid School Program Administrator". Please forward a copy of the final settlement packet to Shelly Jolley (sjolley@teamhbs.com) who will verify the final computation. Upon her final review, she will request that you sign the third page "**WAIVER**" and fax it to ODM at 614-752-2349.

Most District's MSP reimbursement and Final Settlement increased for the 2022/23 school year

Most Ohio school districts will see their MSP reimbursement for the 2022/23 school year increase from prior years. This is a result of an increase in the "Random Moment Time Study" (RMTS) percentage for 22/23 Cost Report year. HBS has worked very close with our time study vendor, Sivic Solutions Group, and we are monitoring detailed RMTS data each quarter. The yearly RMTS percentage for Ohio MSP had previously decreased from 56% in 2014 to under 40% for the years of 2017-2022. We are happy to report that the RMTS percentage is up to 49.08% for SFY 2023 and is 55.17% for SFY 2024. The first time-study quarter for the current SFY 2025 (Oct-Dec 2024) is 53.37%.

In an upcoming MSP Bulletin, we will provide a detailed explanation of Random Moment Time Study (RMTS), which is one of the most important components of the Ohio Medicaid School Program.
